Mission Focus

Shyam and Paula Khatri
Bangkok, Thailand

Greetings from Bangkok, Thailand. Thank you for your prayers and support. Our family is doing well and praying that you are well also. Here is an update on the ministries.

Rajendra and Esther Church Planting Focus:

Rajendra and his family are missionaries to Baitadi, a far west region of Nepal. They have faithfully labored for the Lord over ten years now. Last year they had to move back to Kathmandu because of severe health issues both Rajendra and Esther went through. It seems like they will have to stay in the city as they monitor their health. Their three

children are adjusting to their new school.

About two years ago, the Lord led Rajendra and Esther to start building a church building for the growing church plant that they were part of. As the COVID 19

issue arose, some of the supporters that had intended to help with finishing the building could not provide for them. As a result, the church building sits there unfinished. Rajendra says that another \$5,000 could help them finish the rest of the building. It needs doors, windows, finishing walls and floor, and electrical work. Would you prayerfully consider giving toward this project?

Equipping

Here are a few ways you can connect with the mission of Crowfoot this month:

MEET TOGETHER

Men's Accountability Group:

Sundays at 6:30 p.m., in the Activity Center

Men's Coffee Talk:

Wednesdays at 7:00 a.m., in the Activity Center

PRAY FOR EACH OTHER

Wednesday Prayer Warriors:

Every Wednesday, at 1:30 p.m., in the Main Building

Every Person Everyday:

Starting with your name in the directory, pray for the next family listed. The next day pray for the next family. Following this model, every person in the church will be prayed for everyday.

SERVE EACH OTHER

Hygiene Drive:

We continue to provide personal care items to members of our community. You can help us by making donations, buying supplies, or delivering to families without transportation.

Yard Work:

We have several families in our church who will need help with yard care this Spring. Talk to Jason if you are willing to help.

Know of a Need?

Let us know if you or someone you know can use some help or if you have an idea for proclaiming and displaying the gospel to our community.

Mankumar and Srijana Rai:

Mankumar and Srijana have been spreading the gospel in mid-west Nepal. Another church plant needed a place of worship, so the church worked together and built a church building. They carried rocks and cut trees to make lumber. This really is the joy of planting churches in the villages.

Ministry in Bangkok:

Regardless of all the health and financial struggles, God is at work all around the world.

The Nepali Church here in Bangkok needs your prayers, especially because of what is happening in Myanmar politically. Our Nepali congregation are from Myanmar and have children and families there. We are back to lock down again.

Thank you again for your faithful prayers and support.

Rainbow by Pastor Jeremy

A rainbow skips itself into a double sphere
How many more are there past my little eyes
How many more bands are painted in the haze
I cannot see nor know

But first rainbow is no solid thing
Nor mere illusion
Itself an echo of greater light
A prism promise, a spectrum grace
A covenant
With me and hummingbird and whale

It fades now
Never was a full arc
But remains in my eye
An echo of another one
An echo of two voices
One past one future
"Like in the days of Noah"
"Circling the throne"
A promise kept
Completed
