Mission Focus: Church Venture Northwest /Camp Tabmor

CHURCH VENTURE NORTHWEST

Vision

We envision a covenant community of churches committed to the glory of God, centered on the gospel, changing our communities by being doctrinally sound, missionally driven, and culturally sensitive – which includes culturally appropriate evangelism, leaders mentoring the next generation of leaders, and churches planting churches through Great Commandment love, Great Commission purpose, and Great Confession dependency.

Mission

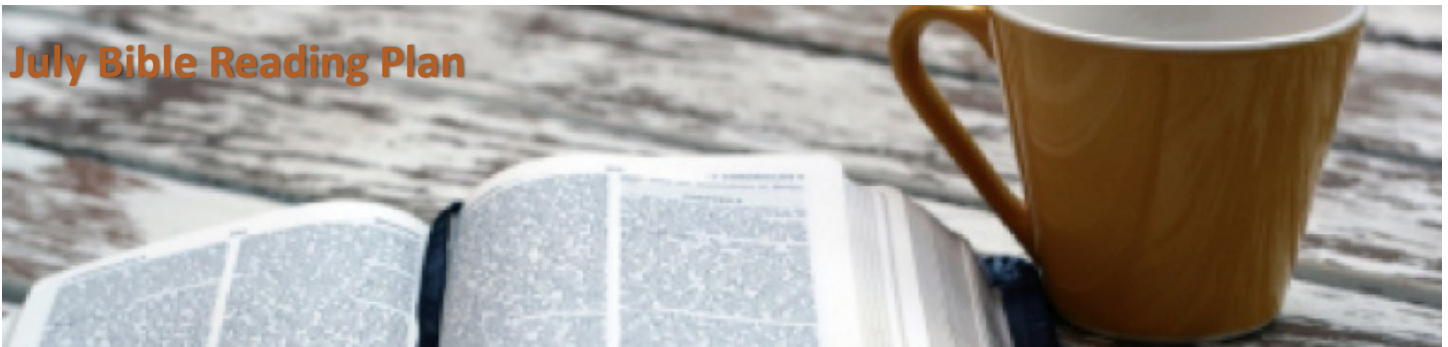

We actively pursue covenant community, holding each other accountable to live out our doctrine, polity, and philosophy.

Core Values

- We value covenant community as defined by our Identity Document (doctrine, philosophy, polity).
- We value truth, calling our community to a comprehensive Christian worldview that impacts every aspect of life, emphasizing a Trinitarian God and gospel power in and through our culture.
- We value the local church as God's ordained instrument for advancing His Kingdom.
- We value a missional church perspective, mobilizing our churches to invade a Christ-less culture and helping our churches to equip all as "sent ones."
- We value relational healing and church renewal by providing a network of specialists to serve through consultation, mediation, solemn assemblies, and strategic prayer.

How You Can Help

Sunday Mornings July and August:

We are in need of some volunteers to help set-up and take-down things like the stage and sound equipment and some shade structures before and after the outdoor service. Please contact Pastor Jason if you would like to help.

Know of a Need?

Let us know if you or someone you know can use some help or if you have an idea for proclaiming and displaying the gospel to our community.

Camp Tadmor Family Camp

Check-In: 4:00 p.m., Thursday, July 8, at the Meadow Ridge Pavilion

Check-Out: 2:00 p.m., Sunday, July 11

Sunday Worship Service will be at 10:00 a.m., July 11, (bring your own chairs) followed by a free BBQ lunch. Please sign-up if you would like to attend lunch, so that we know how many meals to prepare.

Anyone is welcome to drop in and spend the day with us free of charge.

Remember, this is just like individual camping. There are not food prep or storage areas available. There will be a microwave, electric outlets and counter space available in the pavilion for food prep for anyone who needs it. Bring your own coolers and cooking gear. We will have a daily schedule of group events available for anyone who would like to participate. Participation is, of course, not required.

Activities such as Disc Golf, Gaga Ball, etc., will be available at all times.

Mission Focus

Church Venture Northwest Core Values: *(continued)*

- We value leaders as examples of, and catalysts for: health, change, growth, and multiplication; helping them to: assess, train, coach, and mentor.
- We value synergistic responsibility, networking resources for strategic success.
- We value Kingdom advancement by calling churches and leaders to cooperate at sacrificial levels in the cause of making Christ's Church a presence in every community in the Northwest and beyond through strategic partnerships, joint efforts (e.g., area associations planting churches), and sending missionaries at home and abroad.
- We value the fluid and dynamic nature of these core values and are committed to ongoing evaluation as the Spirit leads.

CAMP TADMOR

We are a ministry of Church Venture Northwest. The following are our core values:

- We are Christ-centered, making every effort to reflect the character and priorities of Jesus in our lives, relationships and ministries.
- We value service to the local church's success as our highest priority.
- We value the equipping of our staff for local church ministry and mission.
- We value ministry-driven fiscal responsibility.
- We value honesty and integrity through environments of grace and relationships of trust.
- We value our God-given environment and will seek to protect, to preserve and to steward its inherent beauty; providing facilities and grounds that encourage connection with God.
- We are committed to our ministry priority as members of Christ's body to recognizing each staff member's ministry strength. We seek to empower our staff to discover the joy of serving in their unique role.
- We value prayerful dependence, seeking God through all decision making.
- We value faith-filled living (risk taking) to follow the leading of God, requiring a willingness to put methods, programs, and perceived securities on the line to advance the vision.
- We value service as a practical expression of Tadmor and all that we stand for - service that is responsive, excellent, and sacrificial.
