Remodel Update

Construction Projects Being Completed Currently

Sanctuary (before and current)

The baptismal room and office/storage room on either side of the stage were removed.

We were able to almost double the width of the stage so that the piano can be

moved onto the stage and we have room for our bigger worship team.

The stage was cut back a few feet so that we now have room for more chairs for the congregation.

There were also several electrical and sound updates made to the stage area and room as a whole.

The entire room got a fresh coat of paint and new lighting.

We will also be making overall sound quality improvements to the room.

Equipping

KNOW OF A NEED?

Let us know if you or someone you know can use some help or if you have an idea for proclaiming and displaying the gospel to our community.

You may either call the Church Office at 541-258-3138, email Mandy at crowfootbaptist@gmail.com, or speak with Pastor Jason.

2021 Angel Tree Program

Michelle Presley, Angel Tree Coordinator

IT STARTS WITH A GIFT

Angel Tree Christmas™ equips churches and other organizations to serve incarcerated parents by providing a pathway for strengthening and restoring their relationships with their children and families. Angel Tree Christmas mobilizes local churches and community organizations to give hundreds of thousands of children a gift, the Gospel message, and a personal message of love on behalf of their incarcerated parent.

This year we plan to set up our Angel Tree the Sunday before Thanksgiving. As in years past, Michelle, or one of her volunteers, will be available to answer questions and assist you as you sign-up and select an angel gift request from the tree.

More information will be coming, so listen for announcements and watch for the tree! You can also text or call Michelle at 541-409-3683, or email her at Michellepresley@comcast.net, if you have questions.

Remodel Update...continued

New Roof

The new metal roof should be on in a matter of weeks.

Men's Bathroom

The new men's bathroom (was a resource room) is more than twice the size of the current one, and will be completed with updated fixtures and new lighting. It will be a very nice, modern space when it is finished. The current men's room will become a family/ADA bathroom.

A huge "THANK YOU" goes to John Cornell for all the time and work he has put in to make all of the interior work happen. There also are a lot of other volunteers who jump in and do so much to help complete these projects. Thank you all again for working to make our church home more functional as our family grows and changes.

Psalm 69:30 "I will praise God's name in song and glorify Him with thanksgiving."
